To
All the Student Pharmacists
State of Andhra Pradesh

It is observed that some of the students are coming to the Council as per their convenience for registration process at later date (even after one or two years) and disturbing the students who are attending on their allotted slot date for registration and also hampering the regular process of registration.

Owing to the above reasons the Council decided to implement the automatic expiry of the validity of the allotted slot date for registration after two (2) weeks form 1st June 2024 onwards. If the students didn't attend within two (2) weeks of the slot date, their application for registration is automatically gets expired and they have to apply again for registration.

Kindly note these changes and support the Council for effective functioning to serve the Pharmacists in the State of Andhra Pradesh.
